Re: *Venith Thomas v. Mark M. Altschul and Altschul & Altschul*  
Docket No. 13-cv-8320 (RA) (AJP)

Dear Judge Peck:

On September 14, 2014 I filed a notice of defendants' intent to file a motion for summary judgment. Pursuant to your order of June 6, 2014, the motion is due October 8, 2014. The depositions of the defendants and two of the defendants' employees were taken on September 5 and 8, 2014 however it was not until yesterday afternoon that I received the attached letters from the court reporting service advising me that the transcripts are available. A copy of the stamped envelope showing the date of mailing and the state from which it was sent is also attached.

Since it is impossible to meet the October 8, 2014 deadline, I am requesting a reasonable extension of time to enable my client and their employees to review their deposition testimony and for me to prepare the necessary affidavits and memorandum of law for my motion for summary judgment.

**MEMO ENDORSED** 9/30/14

*Set motion now due 10/15. (You could & should have ordered the depositions transcript earlier).*  
Att.

Very truly yours,

*R. Leah Turchin*
